

Children And Communication Days

5th International Children and Communication Congress &
5th International Children Films Festival
Childhood, Methodology, Research and Ethics
October 20-22, 2008

Dear Colleague,

It's a pleasure to let you know that we're organizing the 5th International Children and Communication Congress & 5th International Children Films Festival 'Childhood, Methodology, Research and Ethics' October 20-22, 2008. This unique activity will be organized this year, by Communication Research Center, Turkey in collaboration mainly with the Education Faculties and Communication Faculties of about 20 universities situated in Istanbul, Turkey. Many national and international institutions, NGO's will also be collaborating with us to make it a successful, interdisciplinary event. If you or your institution would like to take part in it, please contact us as soon as possible.

CALL FOR PAPERS

The congress will be of interest to all national and international colleagues in the communication profession, including interdisciplinary educational, social and technological studies and all other related fields. We would be grateful if you could help us to disseminate the information. Please pass on this information to your colleagues, Ph.D. Candidates at your institution and all other related ones in the field. If you would like to present a paper and/or a poster, conduct a workshop, or participate in a panel discussion related to the topic you are invited to visit the website <http://www.tiaistanbul.org/> and submit a proposal to tiaistanbul@gmail.com by August 30, 2008 the latest. We believe that this conference will give the professionals the opportunity to discuss the new theories, applications as well as the recent research results. It would also provide an excellent setting to meet colleagues from all over the world - other institutions and disciplines and consider possibilities of collaborative studies. We would like to invite you all to support this event either by presenting papers, participating discussions or having workshops.
