CONFERENCE

ROMA MIGRATION A European Challenge

27 May 2009 - 9.30 / 17.30

European Economic and Social Committee, Room VMA 3
2 rue Van Maerlant, 1040 Brussels

Heightened attention paid by policymakers, the media and the public at large to issues concerning Roma migration has brought these matters to the European level. Policy and law-makers have often been unable to respond appropriately to the wide range of apparent challenges in this area.

The aim of this International conference is to share good practices, to raise awareness on EU citizenship and mobility rights both among Roma and politicians and to encourage law enforcement authorities to guarantee full respect of the human dignity of migrants.
